

About

The Mount Olive Area Chamber of Commerce was founded in the 1950's as the Mount Olive Businessman's Association regrouping in 1966 as a Chamber of Commerce.

Today, the Chamber of Commerce continues to advance the commercial, industrial, professional, and civic interests of the area, preserve the established business community, promote stable growth, and provide a vehicle for the exchange of information and ideas.

We attribute our growth and strength to a steady focus on the primary reasons why businesses join the Chamber of Commerce: "To do together what they cannot do by themselves."

Testimonial

On May 19th The Mount Olive Chamber of Commerce had a breakfast meeting at my place Fresco Mexican Restaurant in Flanders. That was my first experience with the Chamber of Commerce. Don Hill was the speaker, and he talked about the economic development in the area. It really peaked my interest to know what's going on around us. That's a way the Chamber of Commerce help the business owners. I recommend becoming a member of the Mount Olive Chamber of Commerce to mingle with other business owners to talk about our needs and opportunities available in town.
